MEMORANDUM FOR: 25X1
Acting Legislative Counsel

FROM : 25X1
Coordination and Review Staff

SUBJECT : Chart Depicting CIA Intelligence Support
to Congress

25X1 The attached chart portrays the current status of the Agency's substantive intelligence support to the Legislative Branch. It includes finished intelligence, briefings, DDO material, and miscellaneous items. The chart is designed to serve both as a quick reference guide to the current situation and as a planning aid in our efforts to help the DCI implement Section 1-601(c) of the new Executive Order, which specifically directs him to "facilitate the use of national foreign intelligence products by the Congress in a secure manner."
